

## Basic Evangelization Training

Course 1: The Basics

1.7 Practical Activity

### Practical Activity

I hope you enjoyed lesson one on the basics of evangelization. As you learned, one of the most basic, fundamental principles of an evangelist is our prayer life. So what we're going to do in this first practical activity is pray. And we're going to ask the Lord to bring people to our mind that He wants us to intercede for. So ask the Holy Spirit to do that now. Ask Him, "Holy Spirit, bring one person to my mind that You want me to intercede for their conversion. Bring one person to my mind that You want me to reach out to, and I'll spend time first praying for them, and then later on reaching out." There's this beautiful dance that can happen between prayer and evangelization, and we want you first to be a person of prayer as an evangelist.
