

# SPSE Endorsements

St. Paul Street Evangelization is committed to bringing about the conversion of our culture by presenting the truth of the Catholic Faith and is faithful to the teachings of the Roman Catholic Church as defined in the Catechism of the Catholic Church and by the Magisterium. Below is a list of endorsements by various ecclesial authorities who support our work.

## **His Eminence Raymond Leo Cardinal Burke**

Prefect Emeritus of the Supreme Tribunal of the Apostolic Signatura:

"I am very happy to have the occasion to express my deepest esteem for St. Paul Street Evangelization. This apostolate, inspired by the Servant of God Fr. John Hardon of the Society of Jesus, is doing a tremendous work in bringing Christ and his truth and love to all parts of the United States and also in other nations. I give my wholehearted support to the work and I pray for it daily that it will continue and grow for the sake of the salvation of many souls... I am happy on this occasion to recommend to you St. Paul Street Evangelization and urge you to become involved with it."

## **His Eminence Francis Cardinal Arinze**

Prefect Emeritus of the Congregation for Divine Worship:

"I am happy to note about the activities of the St. Paul Street Evangelization. It isn't just priests or religious brothers and sisters who should speak about Christ, it is every baptized person. All of us can share. It can be for many of those people the beginning of a new conversion. May God bless the efforts of all those who organize St. Paul Street Evangelization, those who engage in it, and those who profit from this form of witness in Christ. The Holy Spirit has not ceased in giving new gifts to the Church. God bless you."

## **His Eminence Joseph William Cardinal Tobin, C.Ss.R.**

Archbishop of Newark, New Jersey:

"I am writing to commend you on the work of St. Paul Street Evangelization. This apostolate is certainly helping to fulfill the Great Commission by bolstering the confidence of Catholics in a non-confrontational approach to evangelizing people in their local community."
